Ethos

The Skills Bank 3 offer is responsive to the needs of businesses based and operating in South Yorkshire. It is flexible to ensure businesses get support with immediate and emerging skills needs. The range of support funded will be broad including skills solutions and bespoke training packages. Skills Bank 3 is an important lever for securing progress towards SYMCA's over-arching policy objectives as set out in the Strategic Economic Plan:

Stronger

Growing the economy and enhancing its strength and resilience.

Fairer

Ensuring that everyone has a fair opportunity to contribute to and benefit from economic growth, that people have a greater stake in their economy, and that work is more closely linked to wellbeing and a decent life.

Greener

Driving low carbon, green and circular economy opportunities within the economy and delivering net-zero emissions and lower overall environmental impact.

As a member of the Skills Bank Skills Provider Framework, you have been assessed as an organisation who can deliver high quality training to benefit businesses in the SYMCA region. The provision you offer aligns to the region's priorities and known employer demand.

Acknowledgement and Publicity

Skills Providers should comply with the publicity requirements and use of the logos included in the South Yorkshire Mayoral Combined Authority brand guidelines. You will be provided with a Marketing Tool Kit.

Skills Providers need to liaise with Calderdale College in the first instance on all matters related to the suitability of proposed acknowledgement, brand application and publicity in media.
